**RE: PA Senate Bill 1220**

Hon. Senator Jake Corman,

As members of the largest trade union in the U.S. and Pennsylvania, the PA Conference of Teamsters strongly requests that you permit PA Senate Bill 1220 to have its day in court by bringing the bill to the floor.

By refusing to do so you are not only frustrating the wishes of the PA Conference of Teamsters that represents over 95,000 members in the Commonwealth, but also the International Brotherhood of Teamsters that represent over 1.4 million members.

In addition, by refusing to bring the bill to the floor, you are ignoring the wishes of a nearly unanimous bipartisan vote in support of this legislation by the PA Senate Transportation Committee.

Again, on behalf of the PA Conference of Teamsters, we are respectfully and strongly urging you to do the right thing for over 500 hardworking state workers, and permit SB 1220 to be brought to the floor.

I would like to thank you in advance for your support and help.

Sincerely yours,

William Hamilton  
President
